ESSAY

The Devon Luke Scholarship has been set up in memory of an amazing, energetic, and wonderful little boy. He lived six perfect years and he lived life to the fullest each and every day. He had a smile you will never forget, beautiful blonde curly hair, and blue eyes that would smile when he looked at you. Devon accomplished so much in his short life. He visited our nation's capital, Washington D.C., more than once. He went to Florida and rode every ride he was tall enough for at Disneyworld and Universal Studios. He placed in UIL oral reading while in Kindergarten. He was selected for the first grade team as well, but did not get the chance to compete again. He sold fireworks last summer. He loved to play with his cousins, swim, play baseball, basketball, and football. But most of all, his favorite was gymnastics. He knew he would go to the Olympics and win a gold medal one day. Devon loved his teachers, his friends, and he so loved his family. He would never go far from his Mommy. He loved so deep and cared about everyone. Devon never knew a stranger. He dreamed of an amazing future.

Attach a well thought-out, typed essay answering the following questions:

1. How would you describe yourself, your goals (both educational and career), and your plans for your future?
2. Devon lived so much in 6 years and touched so many lives. Tell us what you have accomplished and what lives have touched you personally as well as describe those who have touched your life.

Please turn your completed application in to Mrs. Yocom by 9:00am on April 12, 2024.
